HH Acharya Lokesh, while addressing the gathering at the headquarters of Ahimsa Vishwa Bharti before leaving for Dubai, said that lakhs of Jain followers spread across the world worship during Paryushan and Daslakshan Mahaparva. The spiritual significance of Paryushan festival is to purify oneself from both physical and mental impurities.

His Holiness Acharya Lokesh addressed 'Future of Jainism' Virtual Conference Jainism more relevant in solving contemporary global problems – Acharya Lokesh

Eminent Jain Acharya Dr. Lokesh,, addressing the 'Future of Jainism' virtual conference organized by The Jain Foundation, said that Jainism and Bhagwan Mahavir philosophy are more relevant in solving contemporary global problems. Jainism based on principles of non-violence, unity in diversity, self-control can solve global problems like violence, war, environmental degradation, and global warming, inequality, and poverty, mental and physical stress. He said that by adopting a lifestyle based on the teachings of Jainism, the world population can live a healthy, happy and

joyful life. For this, it is necessary that entire Jain community have to unite and take the teachings of Jainism to worldwide masses.

HH Acharya Lokesh said that at the national level Jain followers divided into different Jain traditions will have to unite so that their voice is heard on the national platform. He said that 70 Jain centers in America are working together for the promotion of Jainism that is why their voice is heard in the White House and the United Nations. United Jain followers will not only benefit Jainism but also the world.

The seminar was began with profound introduction of Acharyashri Lokesh by Prof. Sanjeev Bhanawat and detailed description of the topic followed by question and answer session. Dr. Ramesh Jain, founder of The Jain Foundation, presented his contemporary views. Dr. Smita Jain efficiently performed the role of coordinator in the program. A large number of followers of different religions from India and abroad participated in the seminar and appreciated the statements of Acharya Lokeshji.
